## "Big Bend National Park Fund" To Purchase West Texas Land

We have heard a lot of talk about national parks in Texas, but now it is no longer just talk since the State has launched "a million dollar campaign through popular subscription to purchase land for Big Bend National Park." Surely Texas offers scenery that will compare most favorably with any of the states and we should take advantage of its natural beauty. A park of this kind will be a permanent source of revenue and will be a great advertisement for our state.

The National Park Service estimates that out-of-state tourists will spend in Texas \$3,600,000 the first year the park is opened to the public. According to Conrad Wirth, Associate Director of National Park Service, "The Big Bend National Park will be one of the greatest recreational and educational ventures ever undertaken by the National Park Service."

People of Texas are being offered the opportunity to subscribe to this fund through their local banks, and the Farmers and Merchants National Bank has announced that it will receive donations in the sum of \$1.00 or more for this purpose.

### HAMLIN GIRL ENROLLED IN TECH FIELD COURSE

LUBBOCK.—While students on Texas Technological college campus sweltered in 100-degree temperature, a group of ten travelling enrollees last week wrote from Yellowstone Park, Wyo., of snowball fights and an iceberg lake four miles above timberline.

The students were completing the first leg of a six-weeks' botany field course under direction of Dr. R. A. Studhalter, Tex. Tech head professor of biology and zoology. The tour will carry the group through Canada and the Pacific Northwest. They will return to Lubbock in late August.

Personnel of the course is: Robert Carnes, Hester McCarnes, Hilma Joyce, Alice Crabb, S. S. Forrest, Viva Milstead, Hamlin, Doctor and Mrs. Studhalter, and their two children, Margaret and Walter.

John F. Green and J. B. Terrell spent a few days in Austin this week.

Mr. and Mrs. V. V. Anderson and daughter, Miss Lois, left Monday for a trip to Denton and points in Oklahoma.

Mrs. L. S. Wisehart and three children, of Okmulgee, Okla., are enjoying a visit here with her parents, Mr. and Mrs. W. C. Kidd.

Among the many home improvements in Hamlin this summer is the home of Mr. and Mrs. W. C. Kidd in East Hamlin. A number of new features.

Aaron L. Barnes, son of Mr. and Mrs. Emery Barnes, of Hamlin, was enlisted in the United States Army, July 23, 1937, and was assigned to Infantry, Fort Francis E. Warren, Cheyenne, Wyoming.

Supt. C. G. Green attended a meeting of school superintendents in Abilene last Saturday. The chief address of the meeting was by State Supt. L. A. Wood, who took for his subject late legislative acts touching school matters.

Miss Bettie Moore, of Fort Worth, arrived Tuesday to take her place on the staff of operators of the Haines Beauty Shop. Miss Moore, an experienced operator, has been taking post-graduate work in the Mayme and Lavada Isbell School of Beauty Culture.

### NATIONAL POSTAL OFFICIAL VISITS IN HAMLIN

Supt. J. E. Cooper, of Washington, D. C., Superintendent of Rural Mails, was a visitor in Hamlin last week. He returned from the State Convention of Rural Mail Carriers in Wichita Falls with W. L. Fletcher. They remained for a brief visit in Hamlin and left for Prairie du Chien, Wisconsin, to attend the Convention of that state.

## A HOT GAME COMING SUNDAY

Hamlin Oilers are taking on the Munday Moguls on Hamlin's lot this Sunday at 3:30 P. M.

Munday is leading the Wichita Valley League by one game—and that means Hamlin is one game behind.

The Oilers are expecting a great turn-out from Hamlin people—they expect your support at this game.

It will be a hard fought battle. Left Courtney will likely start for Hamlin and that means somebody will have to bat hard to take his pill.

Munday is coming with all the "Wim and Wig" they've got. They captured their last six games and you may bet they are coming to fight old Hamlin's Oilers to a finish. Tune up your "yell" and let it go down there Sunday for the Hamlin boys.

There will be only four more games for the Oilers before the Championship plays start—let's put Hamlin on top.

### VACATIONING IN

### WESTERN STATES

Mr. and Mrs. Carl Greenway left Saturday for an extensive trip through western states, visited their son, J. D. Greenway, and family in Pecos. From there they went to Carlsbad Caverns and to Roswell, New Mexico, where they visited Mr. Greenway's sister, Mrs. Ike Goedeke. Their trip will also include Grand Canyon, Salt Lake City, Yellow Stone National Park, Denver, Pike's Peak and other points of interest.

Guests in the home of Mr. and Mrs. John Howard this week are Mr. Howard's sister, Mrs. J. C. Russell, Mrs. Howard's sister, Mrs. Sallie Ice and Misses Electa Wilson and Juanita Ice, all of San Angelo.

### GEO. BENDER, 28 YEARS ON

### ORIENT-SANTA FE RETIRES

George Bender, conductor on the Orient-Santa Fe for the past 28 years, retired last week and has asked for his annuity pension on account of continued ill health. Mr. Bender ran between Hamlin and Altus for the most of his time, but has been on the Fort Stockton and Presidio mixed run for the last few months. His services on the railroad put him well past the required 30 years, he having worked for the Katy before accepting service with the Orient in 1909. He and Mrs. Bender have a son, Newman Bender, who is on the Coast Lines of the Santa Fe, and has a regular job out of San Bernardino braking. He was also with the Orient annex for several years as brakeman and conductor. Mr. and Mrs. Bender will soon probably choose the sunny and genial climes of the Pacific Coast for their declining days, and the friendship of every man on the property will follow them with best wishes for many more days of happiness and that the balmy breezes, luscious fruits and contentment will soon soothe him into robust health again.

## HILTERBRAND GETS FIRST BALE OUT

That man Hilterbrand is the lucky fellow this year—and how early—C. W. brought in 1750 pounds of pulled cotton Wednesday Aug. 4, from the T-Diamond Ranch farm right by the river north of Hamlin.

This first 1937 bale, which was received and ginned by the Hamlin Farmers Cooperative Gin, weighed 444 pounds and manager A. P. Patterson of the gin bought the bale at \$10.50.

That man Hilterbrand has learned that early planting is the best on his farm. Those who disagree with him have room, and he smiles at them and keeps planting early. Hilterbrand says he has plenty more to pick, but gosh, it's too hot.

Mr. Hilterbrand was given a premium of about \$42.40, counting the ginning gift and cash donations through the activities of the Chamber of Commerce.

## H. D. CLUB REPORTS

"I now have places for keeping all of my folded clothes and accessories," commented Leota Bailey, clothing demonstrator of the Swedenia Girls' 4-H Club. She secured paste board boxes of varying sizes that would fit in the drawers of her high boy. Then she covered each with light cream wall paper which she had left from papering the inside of her clothes closet. The boxes were placed in the drawers so that no space would be wasted. Then each type of clothing article was folded and put in the box which was the proper size for it. For example, one box is used for handkerchiefs, another for hose, another for slips, etc. Now it is no trouble for Leota to find any article at any time.

The eight members of the Eskota Girls' 4-H Club have made quite a step forward with regard to accomplishing their clothing goals. The following articles of clothing have been made since January: 35 dresses; 13 dresses renovated; 14 slips; 8 cup towels; 19 hand towels; 3 aprons; and 18 other garments which include such articles as smocks, pajamas, negligees, and blouses. Each of the girls has a well equipped sewing box. One new well equipped clothes closet has been added, and another has been re-modeled.

"I had been keeping my hats on a shelf in the top part of my clothes closet which was so high that I could not reach it without standing on a chair," stated Geneva George, clothing demonstrator of the McCaulley Senior Girls' 4-H Club. From some white pine which was around the house, I had three shelves built in the end of my closet which gets the most light," continued Geneva. "I use the two top shelves for my hats, which I can reach easily now, and the lower shelf is used for folded bed linens. Through this improvement, I save much time and energy in reaching my hats." Joellene Vannoy, Home Dem. Agt. Fisher Co.

## ATTENDED STATE CONVENTIONS IN SEVEN STATES

W. L. Fletcher, National Secretary of Rural Mail Carriers, returned Friday from a very extensive trip which carried him through several eastern states.

He attended the State Conventions of seven different states, which met in the following cities, Lexington, Ky., Parkersburg, W. Va., Hagerstown, Md., Dover, Del., Bloomsburg, Penn., Prairie-du-Chien, Wis., and Wichita Falls, Texas. His trip also included visits to various other places of interest in those states and Washington, D. C.

## Embryo Motor Car Designers

EDGAR P. WILKINS (left), 14-year-old Dallas youth, and Haldred C. Hoch, 20 years old, of San Antonio, who took first place in the junior and senior divisions, respectively, in the state-wide model car design competition conducted by the Fisher Body Craftsman's Guild, when their miniature automobiles were adjudged the best of those submitted by boys in Texas. Each will receive \$100 in cash from the General Motors-sponsored educational foundation as a result of his efforts. Insert: The award-winning models designed and constructed by the boys.

## IT RAINED BUT NOT SO MUCH

The most wished for thing in Hamlin these days is rain. It is terribly hot and water is scarce and crops as well as the city need water.

Wednesday night was a bit unusual. First a nice breeze, in fact, a strong breeze began about dark and by twelve there was lots of lightning, plenty of clouds and ere long a hard rain began.

This is encouraging as we know the rain machinery is still in order. But the hard fall Wednesday night did not last long. Angry thunder seemed to check its copious fall and the more it thundered the less it rained and finally both quit the battle. Thursday was the same hot day, only hotter, only a little more discouraging.

Old timers don't expect anything but dry weather and seem puzzled at the look of consternation on the late comers.

## MC CAULLEY MATTERS

By JOHN P. HARDESTY

The marriage of Mary Ellen Jackson, only daughter of Mr. and Mrs. W. C. Jackson, and Raymond B. Tanner, of Dumas, was celebrated Sunday morning, Aug. 1, at six o'clock at the home of the bride's parents, 3 miles east of McCaulley.

Rev. John P. Hardesty, pastor of McCaulley Baptist Church, read the ring ceremony. The couple stood before an arch of ferns and roses. The bride wore a navy sheer traveling suit with navy accessories. Miss Mildred Treadman, of Trent, with whom she taught school last year at Goodman, Jones County, and Arnold Galloway, of McCaulley, were attendants of the couple.

Following their graduation from McCaulley high school in 1934, Mr. and Mrs. Tanner attended schools in Abilene. She was a student in Hardin-Simmons University for two years, while Mr. Tanner attended a business college.

Following a bridal breakfast at the Jackson home the couple left for Dumas where Mr. Tanner is employed in the First State Bank.

Out of town guests for the wedding were the foster grandparents of the bride, Mr. and Mrs. J. E. Jackson, of Wichita Falls, Timothy Tanner, brother of the bridegroom, and Mrs. Tanner of Morton, and Mrs. Robert Griffin and daughter, Bonita, of Sylvester.

Mrs. Tanner was honoree for a gift party Thursday afternoon at the home of Mrs. Carroll Lee, sponsored by Mrs. Lee and Mrs. Charles Galloway and daughters, Annie and Fannie, with some fifty guests present.

Death claimed Mrs. John Wishert Monday afternoon at 4:00 o'clock. She died in the Sweetwater hospital where she had been under treatment for ten days. Funeral services were held at the Baptist church in McCaulley at 3:30 P. M. Tuesday, conducted by the pastor, John P. Hardesty, assisted by Bro. Bateman, with interment in the local cemetery. Barrow Funeral Home was in charge.

Mrs. Wishert, who before her marriage was Ollie Henson, was born in Leon County, Texas, Dec. 15, 1894. Moved with her parents to Fisher County in 1905. Married to John Wishert Dec. 8, 1912. Five children were born to them, as follows:

Gladys, now Mrs. Clifford Jones, McCaulley; Mildred, John, Verna Lee, and Clifford Ray. One grandchild, Bobbie Glen Jones. Other survivors: Her husband, John Wishert, her mother, Mrs. J. S. Henson of Roby, three sisters, Mrs. Alt Smalley of Roby, Mrs. Emma Bradford of Goosecreek, Mrs. O. Bradford, of Oakwood; two brothers, Ed Henson, of Houston, and Lee Henson of Longworth. All these were present at the funeral except Mrs. Bradford.

Mrs. Wishert was converted and joined the Sardis Baptist church, Fisher County, at the age of fifteen. She lived a quiet and good life being devoted to her home and her neighbors. The unusually large crowd attending the funeral was a tribute to her memory, attesting the esteem in which she and the Wishert family are held. She gave beautiful testimony as to her Christian faith and trust when she realized that she could not recover, requesting that her loved ones meet her in heaven.

The entire community feels the loss of this good woman, and the deepest sympathy is extended by all the friends to the bereaved ones.

Pall bearers for the funeral were B. F. Short, Turner Houghton, N. D. Miers, Melvin Hunter, C. D. Jones, and R. E. Parker, of Roby. Flower girls: Ruby Rhoton, Melva Miles, Manon Jayroe, Laverne Maberry, Mrs. Jack Johnson, and Evelyn Woods, of Hamlin.

The revival being conducted by the Methodist congregation, Rev. J. R. Bateman, pastor, assisted by Rev. W. E. Fisher of Rotan, is being well attended and the preaching by Bro. Fisher is appreciated.

A baby girl, Sarah Catherine, was born to Mr. and Mrs. W. C. Kean, Friday, July 30.

### HIGHWAY COMMITTEE WORK

This committee whose chairman J. W. Ezell has arranged recent and had two meetings with the Texas Highway Commission relative the needs of highways in and out Hamlin. The first meeting was July 19, in which representatives from Hamlin, McCaulley, Sylvester and Sweetwater met with the Commission at Austin in the interest a highway from Hamlin through McCaulley and Sylvester to Sweetwater. The matter was presented to the Commission and they assured the representatives that this project would receive favorable consideration.

Following their graduation from McCaulley high school in 1934, Mr. and Mrs. Tanner attended schools in Abilene. She was a student in Hardin-Simmons University for two years, while Mr. Tanner attended a business college.

First call for football is being made by Coach Sealey. All boys interested in going to the pre-sea training camp are to meet at high school Monday, August 9, promptly at 2 o'clock.

Every boy interested in football is requested to be at this meeting at all possible, as plans for the camp and the season will be given out.

Coach Sealey will begin practice for all specialty men—passers, receivers, and centers, after the first meeting. These boys should come with old clothes and football shoes.

## Union Gospel Tabernacle

## Beginning SATURDAY NIGHT at 8:30

we will begin a discussion on the Fundamental Doctrine of the New Testament, THE HOLY GHOST, under the following subjects:

- 1 —What is the HOLY GHOST?
- 2 —What is his office work: A: In Conviction; B: As a teacher, and C: As a Reprover and Comforter
- 3 —What is the Baptism with the Holy Ghost, and the Spiritual Benefit derived by this Baptism?
- 4 —Do we receive the Baptism with the Holy Ghost, in conversion or should we expect it afterward?

It has been very extensively taught in this and in many other sections of the country, that, you must receive this Baptism with the Holy Ghost, after conversion, which is evidenced by the speaking in Unknown Tongue, and Etc. I regard this doctrine as,

1. **Unscriptural,**
2. **Unreasonable and misleading,**
3. **And in principle, Unchristian**

I will be glad to divide time with any that hold to the above doctrine in question, and, will alternate nights with anyone who believe the Bible teaches same. The people are entitled to a fair discussion of the Bible facts with reference to this FUNDAMENTAL TRUTH, and welcome this joint discussion, NOT AS DEBATE but as a high spiritual plane in harmony with the spirit of Christ.

## EYE, EAR, NOSE AND THROAT

## CLINIC NOTES

Some important eye notes from  
DR. L. P. McCRARY

School time is approaching and the never ending problem of school children, eyes, ears, nose and throat challenges our attention to these important organs.

Within the next few weeks we will endeavor to briefly cover these conditions one at a time, but today I want to say a few things relative to the eye. The eye is one of the most important members of the body; therefore, we should be more careful of them. The slightest wound of the eye should receive the most skillful attention for the most insignificant appearing wound unattended often costs the vision of the eye.

About twenty-five to thirty percent of children have defective vision and should receive attention before entering school.

For several years I have spent some time in assisting in checking up on children's eyes at various schools, having always endeavored to inform those in charge that these tests are so inaccurate that I did not regard it worth the time. I am so impressed with this fact that I doubt if I shall ever be guilty of this practice again. About all you can detect in a wholesale run through check up of this nature is to detect whether the child is blind in one eye or extremely nearsighted. Any one may be able to read easily the finest print at the usual distance and then suffer from eye strain, with one or all of its associated evils, and the lack of being able to give an accurate check on these eyes is to cheapen and defeat the purpose for which we have been called upon to do. But instead, from this time on, I will gladly give an accurate check to all school children without the least obligations to any one. I very much prefer to do this at my office where I am prepared to do justice to myself and patients.

Squint eyes: There is a small percent of squint or cross eyes among school children, that if detected in time and proper attention given, can be corrected with proper fitting glasses, but these cases must receive attention before this condition becomes

permanent or fixed. There is practically no hope for the children unless they are cared for by the time they reach ten years of age. Unscrupulous glass peddlars, which are to be found almost anywhere, will lead you to believe that they can correct this condition regardless of age, but unfortunately this cannot be done, but remember this, all cases of cross eyes are practically due to eye strain and can be corrected with glasses if properly cared for before they reach ten years of age. After this time, an operation will be required to correct this condition. But if this cross eyed condition be due to other causes, diseased conditions with associated paralysis to one or any group of eye muscles, glasses will not correct this condition at any age regardless of what any one may tell you. (To be continued)

**Why Firestone Standard Tires are Extra Safe**

**TAPPING RUBBER TREES ON FIRESTONE PLANTATIONS IN LIBERIA**

Firestone plantations supply the world's finest rubber. Economies in producing raw materials, manufacturing and distribution make it possible for Firestone to give you so much more for your money.

**YOU GET EXTRA PROTECTION AGAINST BLOWOUTS** — eight extra pounds of rubber are added to every 100 pounds of cord by the Firestone patented Gum-Dipping process. This counters internal friction and heat that ordinarily cause blowouts.

**YOU GET EXTRA PROTECTION AGAINST PUNCTURES** — because under the tread are two extra layers of Gum-Dipped cords.

**YOU GET EXTRA PROTECTION AGAINST SKIDDING** — because the tread is scientifically designed.

**YOU GET LONGER NON-SKID MILEAGE** because of the extra tough, long-wearing tread.

Before leaving on your vacation trip, join the Firestone SAVE A LIFE Campaign by equipping your car with a set of new Firestone Standard Tires — today's top tire value.

Boy, has it been hot? Everyone surely would like to see a good rain. Most of the farmers are heading their maize.

Bert Hayes, of Merkel, visited in our community last week.

Mr. and Mrs. Olehon Vaughan and family spent Sunday with Mr. and Mrs. A. P. Proffitt.

Mr. and Mrs. Johnnie Agnew and family spent Sunday with Mr. and Mrs. H. C. Harbor.

Mrs. W. L. Fletcher spent Sunday afternoon with Mrs. E. A. Isbill.

Connie Drake and sisters spent last Thursday and Friday with Mr. and Mrs. Earl Proffitt of Glen Rose. Talk about the eats — now Earl has them and good water too. They were accompanied home by Mr. Charles Christian.

Mr. and Mrs. W. L. Fletcher, Sr. and family and Mr. and Mrs. Alton Hewett and family spent Sunday with Mr. and Mrs. H. S. Neal of Hanna.

## PICNIC SUPPER ENJOYED

## BY HOME MAKERS CLASS

The Home Makers Sunday School class from Fairview Church gathered at the Double Mountain River bridge Thursday evening for a picnic supper which consisted of sandwiches, ice cream and cake.

After supper several games were played and Mrs. Clarence Street was awarded a prize for winning a contest.

A brief business session was conducted by the class president, Mr. Howard Jenkins. Committees were appointed for the next social meeting which will be in October. The committees appointed were: Mrs. Elbert Fomby, Mrs. Elmer Joiner and Mrs. Woodrow Goodwin, social committee. Mrs. Johnnie Agnew, Mrs. Earl Ray and Mrs. John Taylor, program committee.

Those present were Mr. and Mrs. H. C. Harbor, Mr. and Mrs. Elmer Joiner and family, Mr. and Mrs. Dave Herbst, Mr. and Mrs. Earl Ray and sons, Mr. and Mrs. Woodrow Goodwin, Mr. and Mrs. Bingham and family, Mr. and Mrs. Jack Miller and family, Mr. and Mrs. Johnnie Agnew and family, Mr. and Mrs. Clarence Street, Mr. and Mrs. Howard Jenkins, Mr. and Mrs. Elbert Fomby, Mrs. John Taylor, Mrs. Isbill and Miss Hampton.

J. R. Hammett, of Lubbock, visited in the home of Mr. and Mrs. Dan W. Stephens Sunday.

Miss Maxine Benson, a graduate nurse of Abilene, visited her parents, Mr. and Mrs. W. E. Benson, last week.

Mr. and Mrs. Duffield Smith and sons, Duffield, Jr., and Wade, Cassie, of Dallas, arrived Thursday to visit their parents, Mr. and Mrs. H. O. Cassie.

Mrs. Dan W. Stephens and daughter, Miss Lou Dan, and granddaughters, Miss Geraldine Rushing, Pauline Shelton and Bobbie Stephens, have returned from visiting in Dallas and Fort Worth. They attended the Pan American Exposition and the Frontier Fiesta.

Oscar Owen, Jr. is to leave Saturday for Monterrey, Old Mexico, as one of the successful agents for the Great American Life Insurance Co. He won a free trip to the famous Mexican city and after going there, he will return by way of Albuquerque, New Mexico, to visit his parents, Mr. and Mrs. Oscar Owen. He will be gone about four weeks.

**When You Feel Sluggish  
 (Constipated)**

Take a dose or two of Black Draught. Feel fresh for a good day's work.

Work seems easier, life pleasanter, when you are really well — free from the bad feelings and dullness often attending constipation.

For nearly a century, Black Draught has helped to bring prompt, refreshing relief from constipation. Thousands of men and women rely on it.

Mrs. L. L. Cowan and son, Leslie, returned Friday from Mount Vernon, where they had been visiting relatives. They also attended the Pan American Exposition in Dallas.

**WASHINGTON NEWS**

FROM CONGRESSMAN  
**CLYDE L. GARRETT**

NEW AGRICULTURAL BILL—Chairman Jones of the Agricultural Committee has introduced a new bill in the House but it is not going to be brought out of committee at this session according to reports in the papers in which Mr. Jones is quoted as saying that hearings will be held between sessions and the bill prepared for early action in the next session of Congress. If this is done the bill will be ready for the farmers of Texas in ample time.

VISITORS—Our office has been visited the past week by Judge Frank Roberts of Breckenridge, who was on his way home from the Rotary trip to Europe. Mr. and Mrs. F. M. Kennedy and son, Billy, of Eastland, and Miss Roberta Moss, of Denton, were in also on their way home from a tour of the East. Miss Lena Adams, of Abilene, has also been in to see us.

MANY THANKS—That big basket of peaches from the Scotts of De Leon was highly appreciated and they did not hurt the reputation of Texas among those from the more benighted section who had never seen a Texas peach. Those who received one were astounded at the size, coloring, flavor and aroma.

EMERGENCY INTEREST RATE ON FARM LOANS—The Land Bank Commissioner announced the continuation of 3½% interest rate on Federal Land Bank Loans and the reduced rate of 4% on Land Bank Commissioner Loans. Land Bank reduction is effective July first. Commissioner reduction on July 22. This is in accordance with Act passed by the Congress and which has now become a law.

NEUTRALITY — The State Department and the White House are still stumped as to how to apply the neutrality law to the China-Japanese situation in the event of an outbreak. Japan can come over and get supplies, but China cannot, according to the law. Not only is this dangerous, but it will interfere with the new currency agreement with China.

MEDICAL RESEARCH — The Federal Government has been put into a field of medical research in a large way by the bill adopted by both houses of Congress. A cancer institute is to be founded, if approved by President Roosevelt, at a cost of three-quarters of a million dollars with an authorized annual expenditure of \$700,000 for its operation. This would be expected to do much toward finding a cure for the dreaded disease. It was estimated that 25,000 lives might be saved yearly from deaths due to cancer if the patients could be given modern treatment.

HOUSING — Inability to get together various agencies interested in housing on a central program still continues to hold back Administration forces in their efforts to do something worthwhile to provide low-cost housing. A new plan is being worked out, however, for a public housing program.

PENSIONS — The House approved a 50 per cent increase in Spanish-American War veterans' pensions, granting \$60 a month to those with 90 days or more service upon reaching the age of 65, and \$100 a month to those disabled veterans who required an attendant. 28,885 pensioners will be affected by this increase, and entail a cost of \$5,749,000 the first year, it is estimated by the Veterans' Administration.

FLOOD CONTROL — The House passed a \$24,877,999 bill authorizing construction of levees, flood walls and drainage structures along the lower valley of the Ohio River. The "priority and emergency" projects to be carried out would be selected by Army engineers.

ALIENS ELIMINATED — The House unanimously voted to remove the alien civilians from Government pay rolls, including WPA. The Government compensation for thousands

## METHODIST CHURCH

Sunday School at 9:45. Preaching at 11:00. At the close of the preaching service, we will observe the Sacrament of the Lord's Supper. The Leagues meet at 7:30. Preaching at 8:15. Subject, "Believing in God's Love."

Again we call your attention to our revival meeting Sept. 12 to Sept. 26. Rev. B. L. Nance, of Lubbock, will have charge of the personal work and Rev. Robert L. Butler, of Farwell, will do the preaching. Each of these men has had good success in his work. Brother Nance is considered as one of the best personal workers anywhere. Brother Butler is serving his sixth year as pastor of Farwell. He has traveled in the Holy Land and he will deliver his lecture on the Holy Land during the services. The singing will be conducted by our own leader, Mrs. Joe McCrary, and Mrs. H. W. Hanks will organize and conduct a Junior choir. Miss Edwina Gilbert and Ray Jones will organize and conduct a choir of the young people. We want everyone to take a special interest in the meeting. Hand in now, the names of those you would love to see saved during the meeting. Remember you are always welcome with us.

H. W. Hanks, Pastor.

Mr. and Mrs. C. C. Prater and son, Charles, spent the last week-end in Fort Worth and Dallas.

John F. Whiteley and daughter, Miss Bernice Whiteley, arrived this week to make their home in Hamlin. Miss Whiteley is elected to teach in the Hamlin schools during the coming term.

Mr. and Mrs. W. T. Binion, of Commerce, are here visiting her father, John F. Whiteley, and sister, Miss Bernice Whiteley, and other relatives. Mrs. Binion formerly lived in Hamlin and will be remembered as Beulah B. Whiteley.

## CHURCH OF CHRIST

WOODIE HOLDEN, Minister.

The revival meeting began at Flat Top Tuesday evening in a very encouraging way. A good crowd was in attendance at the very first service, and indication is that each succeeding service will bring greater interest. "The Great Salvation" was the subject for the first evening, and "Questions of Salvation" are being discussed at each service. A question box has been provided for the collection of Bible questions, questions of salvation, to be discussed by the speaker, Minister Woodie Holden. Remember that you are invited to each of these services, and that your welcome is sure.

## EARLY SERVICE IN TOWN SUN.

Due to the meeting in progress at Flat Top the evening service at the Church of Christ in Hamlin will be held at 7:15 P. M. Instead of the usual hour. Come to this early service; then go elsewhere as you like. You are always welcome at the services of the Church of Christ.

Mrs. C. F. Guinn and son, Billy, left Sunday for their home in Ventura, California. They had spent the last month in Hamlin visiting Mrs. Guinn's mother, Mrs. Mary Lenard, and other relatives. Those accompanying them to Sweetwater where they caught the train were Mrs. Mary Lenard, George Lenard and family, Mrs. Della Kite, Mrs. Landy Jameson and family, and Dalton Young.
